## 'BEFORE, AND AFTER'

The Wauzeka-Steuben School District is pleased to share "before and after" photos of the school building following substantial completion of the roof and siding projects. There are a few "punch list items" that will be addressed when the weather warms up in the spring. Thank you to our staff, particularly our maintenance staff, who have had to deal with numerous accommodations over the past several months.

The greater school community can be very proud of the project that was planned and carried out by the school board. This is by no means "the end" as school district planning will continue so that good decisions can continue to be made regarding facilities, budgeting, and programming. Please be watchful of significant dates of meetings so that you stay current with future plans. Most likely, the district will need to "renew" the operating cost referendum in the spring of 2026 in order to have enough resources for basic school operating costs.

On behalf of the school district, thank you for your continued support!

## Wauzeke-Steuben SkillsUSA competes at Regionals

SkillsUSA is a national organization that helps students prepare for careers in skilled trades, technical academic, and employability skills. SkillsUSA offers various programs and competitions and focuses on leadership, teamwork, and professional development. The students at the Wauzeke-Steuben school district competed in regionals in Platteville. Unfortunately, there were only a few people that placed in the Regional competition, but all students learned a lot and had fun! The following students placed:

- Abby Wright taking 2nd in Co2 cars
- Kendra Mitchell, Breiligh Traustch, and Bristol Hird taking 3rd in team engineering
  - Jazzmine Walters taking 3rd in Job interview
  - Braxtyn Trautch taking 2nd place in 3D printing
  - Mallory McCullick taking 3rd place in 3D printing

## Elementary Students of the month

Holden Hird (Kindergarten), son of Terry and Mara Hird. Holden is a very responsible and hard working student. Holden is accountable for his actions and follows directions well in class. He works hard at everything that he attempts in the classroom. Keep up the great work Holden!

Makena Huber (1st Grade) daughter of Bob and Jen Huber. Makena is working so hard to be the best classmate and learner. She also puts forth her best effort academically and being a friend even when something is hard. She is super helpful in class by helping anyone with anything they might need. She is such a joy to have in class and I know she will do great things in anything she does. Keep up the great work Makena!

Every Stuka (2nd Grade), daughter of Derrick Stuka and Samantha Stuka. Every is the perfect example of a model student. She always does her best and perseveres through challenges. She is kind and caring and always willing to help others. She participates in class and has shown amazing growth academically this year. Every always has a smile on her face, a good attitude, and always does what she is supposed to, without needing reminders. She is a great student to have in class!

Willow Pettis (3rd Grade), daughter of Kaitlin Pettis. Willow did a wonderful job in all areas during the month of January. She comes to school everyday with a positive attitude and treats everyone with respect. Willow is very kind and thoughtful towards her friends. She is always willing to lend a helping hand and is super helpful in the classroom. She is doing wonderful in her academics as her Edmentum scores reflect just how much she is learning. Mr. Smith is super proud of all of her hard work and progress that she has made over the course of the school year. Keep up the great work, Willow!

Every Ward (4th Grade), daughter of Ryan and Tricia Ward. Every is a delightful presence in the classroom. She is a student who makes good use of her time. She diligently works on her assignments, actively participates in class discussions, and follows instructions carefully. Due to her outstanding work habits, she excels academically as well. In addition to being an excellent student, Every is a wonderful person. She is friendly and kind, always willing to help others. She frequently volunteers to assist in the classroom. Every demonstrates the qualities of being respectful, responsible, and safe, which has earned her the respect of her peers. They see her as a leader and someone they can rely on. Her hard work, passion for learning, and desire to succeed are the reasons for her success.

# PBIS ASSEMBLY

We recognized our Health Horses, these students who take care of their body and mind by eating healthy foods, limiting screen time, getting plenty of sleep, drinking plenty of water, going outside for fresh air each day, and talking to someone when they are upset. Next up is the Truthful Turtle.

Golden Spoon: 5th Grade

Silent Slipper: 3rd Grade

Buzzing Broom: Ms. Joni's Classroom

Maebelline Roberts (5th Grade) daughter Nic (Mikayla) Roberts and Allie Roberts. Maebelline demonstrates a strong work ethic each and every day. She puts a great deal of effort into her learning and has made strong gains in all subject areas. She actively participates in classroom discussions, always completes her assignments on time, and has a positive attitude. Maebelline is kind to everyone. In fact, Mrs. Martin has never heard her say something mean or inappropriate to or about anyone, which makes her someone to look up to. Her attitude, positivity, kindness, and work ethic is what set her apart from others in receiving this month's Student of the Month.

### MS/HS Students of the month

Trisha Gillitzer (Senior), daughter of Mike and Angela Gillitzer. Trisha is hardworking, kind, and efficient. She is always willing to jump in to help without being asked as she knows what needs to be done and does it. She has been a tremendous asset to the yearbook staff this year. Her dedication is greatly appreciated.

Violet Mitchell (Sophomore), daughter of Bart and Amy Mitchell. Violet is an extremely bright student who is hard working and polite to everyone. She is always contributing in class and continues to push herself and others around her to be the best version of themselves. She manages all of her extra curricular activities and academics in an efficient and effective manner. Keep up the great work!

Noel Darragh, daughter of Aron and Gina Darragh. Noel is always organized and prepared for class. She volunteers to help in and outside of the classroom. She is respectful to everyone around her and puts 100% into everything she does.

Braxton Trautsch, son of Brian and Ashley Trautsch. Braxton always comes to class prepared and ready to learn. He always puts forth his best effort and is very involved with activities and organizations around the school. Braxton treats his peers and teachers with respect and completes assignments in a timely manner.

## IN HONOR OF CTE MONTH

### W-S LADY HORNETS CLINCH CONFERENCE TITLE

Friday, February 7th, 2025 the Wauzeka-Steuben girls basketball team competed for a conference championship in a match-up against Lafarge. With this win, the Lady Hornets would clinch the conference title. In back-to-back years, the girls won with an overall conference record of 23-1. They took down Lafarge 67-21 with four players scoring in double figures, and six players putting up more points on the board. Everyone scored in this game. (Macy Mitchell - 14, Emma Wall - 11, Kiley Manning - 10, Isabella Bunders - 10, Claire Wright - 6, Hayley Mitchell - 5, Claudia Walz - 4, Elizabeth Wright - 3, Natalie Wright - 2, and Violet Mitchell - 2). With only five games left in the regular season, the Lady Hornets are looking forward to some tough

non-conference match-ups heading into regionals. This is head coach Ben McCullick's 7th conference title and the Hornets are preparing for another regional/sectional run in this year's WIAA tournament.

# 2025-2026 Full-Time Open Enrollment Regular Application Period for Wisconsin Public Schools

## INFORMATION FOR PARENTS

### YOU MAY APPLY FOR OPEN ENROLLMENT FROM FEBRUARY 3 – APRIL 30, 2025.

#### What is Public School Open Enrollment?

Wisconsin's public school open enrollment program allows parents to apply for their children to attend a school district other than the one in which they live. Applications may be submitted to up to three nonresident school districts if the pupil wishes to attend a brick and mortar school. There are no limitations to the number of open enrollment applications that can be submitted to a virtual charter school.

#### How and when may parents apply?

The open enrollment regular application period for the 2025-26 school year is from February 3-April 30, 2025. The application period closes at 4:00pm on April 30, 2025. Late applications will not be accepted for any reason.

Parents may apply online at <https://dpi.wi.gov/oe>.

#### Can I apply to a virtual charter school under open enrollment?

A pupil may only open enroll to an online/virtual school if: (1) the school has been created as a virtual charter school that meets the requirements of the charter school law [Wis. Stats. 118.40 (8)] or (2) the pupil is required to physically attend school on a regular basis in a school located in the nonresident school district on the days that school is in session. Other important things to know about applying to virtual charter schools:

- A virtual charter school is not homeschooling. Pupils attending virtual charter schools are public school pupils.
- You must know the nonresident school district in which the virtual charter school is located.
- You must know your resident school district to apply.
- A list of virtual charter schools may be found at <https://dpi.wi.gov/parental-education-options/charter-schools/virtual-charter-schools>.

Parents whose applications are denied may appeal to the DPI within 30 days of the denial. State law requires the DPI to uphold the school district's decision unless DPI finds that the decision was arbitrary or unreasonable. The DPI's decision may be appealed to circuit court.

#### Who may participate in open enrollment?

Pupils in kindergarten to grade 12 may apply to participate in open enrollment.

Open enrollment for prekindergarten, four-year-old kindergarten and early childhood education is limited. Parents should call their resident school districts to find out if their preschool-aged children qualify for open enrollment.

#### Can an application be rejected?

Nonresident school districts may deny an application if regular or special education space is not available for the pupil; special education or related services are not available; or if the pupil has been referred for a special education evaluation but has not yet been evaluated. Nonresident school districts may also deny an application if the pupil has been expelled during the current or preceding two years for certain violent conduct or if the pupil was habitually truant from the nonresident school district during any semester in the current or previous school year.

If there are more applications than spaces, pupils must be selected randomly, after giving preference to pupils already attending school in the nonresident school district and siblings of currently-attending pupils.

Some school districts establish waiting lists to fill unused spaces, but others do not.

#### Can a resident district prevent a pupil from leaving?

A resident district can deny a pupil's application for an invalid application (early or late application or missing information), ineligibility due to age (too young or too old), or if the resident district does not offer the same type of prekindergarten, four-year-old kindergarten, or early childhood program as the nonresident district or the pupil is not eligible for the program in the resident district. These are also reasons that a nonresident district can deny an application.

#### Can parents appeal if an application is denied? Must pupils reapply every year?

Once a pupil is accepted into a nonresident school district, the pupil may continue to attend that district without reapplication except that:

- The nonresident district may require a pupil to reapply one time—at the beginning of middle school, junior high or high school.
- A pupil may be returned to the resident school district if the special education required in a new or revised IEP is not available in the nonresident district or there is no space.
- A pupil who has become habitually truant in the nonresident district may be returned to the resident district.

(continued on next page)

### **Is there a cost for parents to participate in the open enrollment program?**

There is no tuition cost to parents for participation in open enrollment. Parents of open enrolled pupils may be charged the same fees as resident pupils.

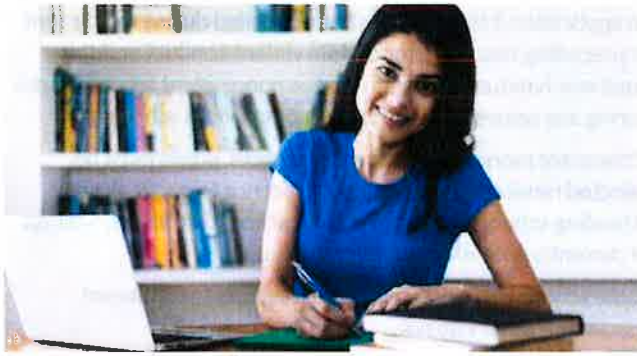

### **Who is responsible for transportation?**

Parents are responsible for transporting their children to and from school.

If transportation is required in the IEP for a child with a disability, it must be provided by the nonresident district.

School districts may provide transportation to open enrollment pupils if they wish. Usually, if transportation is provided, parents must transport the pupil to a location in the nonresident district.

Low-income parents may apply to the DPI at the end of the school year for partial reimbursement of their transportation costs.

### **Can a parent select a specific school in the pupil's nonresident school district?**

Yes. A parent may request a specific school or program in the nonresident district. However, assignment to the requested school or program is not guaranteed and your pupil may be assigned to a different school other than the one requested. It is up to each nonresident district to determine a pupil's school assignment.

### **Can an open enrolled pupil participate in sports and other extra-curricular activities in the nonresident school district?**

Open enrolled pupils have the same rights and responsibilities as resident pupils.

Inter-scholastic athletics are governed by the Wisconsin Interscholastic Athletic Association (WIAA), which has rules concerning transfer pupils. Parents should check with the school district's athletic director about eligibility.

## **IMPORTANT OPEN ENROLLMENT DATES**

### **February 3 – April 30, 2025**

Parents must submit applications online or directly to the nonresident school district.

### **June 6, 2025**

Nonresident school districts must send notices of approval or denial via US mail or email. If the application is approved, the school district must notify the parents of the specific school or program to which the pupil is assigned. If the application is denied, parents have 30 days to file an appeal.

### **June 13, 2025**

Resident districts must notify applicants if the application is denied. If the application is denied, parents have 30 days to file an appeal.

### **June 27, 2025**

Parents of accepted applicants must notify the nonresident district if the pupil will attend the nonresident district in the 2025-26 school year. If the parent fails to make this notification, the nonresident district may refuse to allow the pupil to attend the district.
