

School District of Wauzeka-Steuben

Dr. Gary Albrecht
District Administrator
Ext. 214

Mr. Kevin Kilburg
Director of Special Education
Ext. 280

Mrs. Tiffany Dums
District Principal
Ext. 211

December 9, 2024

We have had a wonderful fall at Wauzeka-Steuben Schools! As a learning community, we are continually looking to improve student achievement in the classroom while also increasing opportunities for student involvement outside the classroom. The school report card is one resource we use to reflect on our strengths and areas for improvement.

The Department of Public Instruction (DPI) is required by state statute ([Wis. Stat. 115.385](#)) to generate a report card for every publicly funded school and district in the state. The report cards are intended to help schools and districts use performance data to celebrate successes and improve their efforts to prepare students for their futures. Report cards for each school and district in the state can be found online at: <http://dpi.wi.gov/accountability/report-cards>. I have included the first page of the report card for our district and each of our schools with this letter, but remaining pages of each report card can be viewed using the website above.

The current school report card is primarily based on last year's performance during the 2023-24 school year. At the foundation of the report cards are four priority areas. Schools and districts receive a score for each priority area:

- **Achievement** - proficiency in English language arts (ELA) and mathematics on the annual state assessments
- **Growth** - year-to-year progress in ELA and math achievement
- **Target Group Outcomes** - outcomes for students with the lowest test scores: the Target Group.
- **On-Track to Graduation** - reliable predictors of how successfully students are progressing toward completing their K-12 education.

The priority area scores are aggregated into an overall accountability score, from 0 to 100. This score is displayed on the front page of the school or district report cards. It is important to note that the 0 to 100 accountability score is not a "percent correct" measurement. Based on its score, a school or district receives one of five rating categories, from *Fails to Meet Expectations* to *Significantly Exceeds Expectations*, as well as corresponding one to five stars.

As a district, Wauzeka-Steuben earned the distinction of "Exceeds Expectations" (4 of 5 stars) and ranked amongst the top 10% of the 31 school districts in CESA 3!

I want to share these results with you because they help illuminate some of our successes, help pinpoint areas of focus in our district, and show that we are moving in the right direction.

Please let me know your thoughts and questions as they arise. I look forward to working with you to make 2024-25 a successful school year for your child(ren)!

Sincerely,

Dr. Gary Albrecht, District Administrator
